

ST. JOHN'S LUTHERAN CHILDCARE PROGRAM

For all Ages

Philosophy

We know, when choosing an child care center, it is important to remember that the child's total needs must be met. This means not only the mental potential but also the physical, emotional, social and moral potential as well. Our program will offer children choices within guidelines, laden with happy experiences and values that will enrich your child's learning experience. Choosing our program, will allow your child to develop fully in all areas of learning.
